# About us!

Whether you love Scilly through the seasons and live here or just get to visit for a few weeks each year we're pretty sure Scilly holds a special place in your heart; it does ours!

The Isles of Scilly Wildlife Trust looks after more than 60% of the islands (just under 2000 hectares), leased from the Duchy of Cornwall, with the help of volunteers, grants, donations and legacies.

This includes the inhabited and uninhabited islands, both terrestrial and marine habitats; many of which are open and accessible for everyone to enjoy all year around.

We look after paths and ancient monuments and restore and maintain habitats for the benefit of people and wildlife.

All members receive an annual mailing which includes our yearbook and the AGM notice. You can also receive our bi-monthly e-newsletter which will keep you up to date with how your money is being spent on the islands.

To receive more regular updates follow us on Facebook, Twitter and check out our website!
